

# Document of the opinion of expert

in the Israeli supreme court

in the matter between Shai Dan On and the Israeli governmental  
Office of Environmental Quality

The Opinion document of the expert

- Expert's name: Martin L. Pall, Ph.D., Professor Emeritus
- Expert's residence: 638 NE 41<sup>st</sup> Ave., Portland, OR 97232 USA
- Expert's place of work: As professor emeritus, I work out of my home, at the above address.

I am the one who is signed on this document was asked by Shai Dan On through the lawyer representing him to express my professional opinion in the questions that are debated in the matter that is discussed in court.

I give this opinion document instead of court testimony and I declare that I know well about the criminal law about lying in court under oath in court, the essence of this opinion document when it is signed by me is as if I were testifying under oath in court.

These are my degrees and certificates: I received by B.A. degree in Physics, Phi Beta Kappa, with honors, graduating in 4 years at age 20 with 180 hours of credit (50% more than required) from Johns Hopkins University.

I received my Ph.D in Biochemistry and Genetics from the California Institute of Technology (Caltech)

These are my working experiences: I was Assistant Professor for 5 years at Reed College before moving to Washington State University (WSU) in 1972 where I was Asst., Associate and Full Professor. In 2008 I became Professor Emeritus of Biochemistry and Basic Medical Sciences at WSU.

My professional opinion in the matter is presented in the next following 6 + 1 pages
